Refinance Your Auto Loan With DMMCU

Earn \$200 AND save some money!

If your car loan of \$10,000 or more is financed with another lender, it's the perfect opportunity to refinance, receive a lower interest rate, and walk out with \$200 in your pocket.* Rates are still low, so your payment will probably be less, which means even more money in your pocket!

Our interest rates on new and used vehicles are competitive, maybe better than the rate you have now. Call for more information or apply today! This offer is available for a limited time only. Please mention this offer when you apply or speak with a loan officer.

*Must provide proof of current interest rate. Some restrictions apply. Loans already financed at DMMCU do not qualify.
